

REGIONAL SCIENCE EXCHANGE PROGRAM

SELECTION CRITERIA

The Regional Science Exchange Program is open to Victorian Year 10 students in 2020 who have talent, interest, curiosity and enthusiasm in the areas of Science, Mathematics and/or Technology.

To apply students need to:

- Describe your interest in science/maths/technology in a maximum of one A4 typed page.
- Describe in 200 words or less how you will use this opportunity back in your school and/or home town after the experience is over, or how it might impact your future subject or career choices.
- Please consider and list any possible issues regarding being away from home for 3 weeks. These may include part-time work, sporting commitments, and any relevant experiences or issues with staying away from home. Please advise if you are studying any VCE (Year 11 and 12 subjects) in Year 10, and approximately how much work will be required during your 3-week block.
- Applications must include the name of the student, home address and names of parent/s, as well as contact details of the school, science teacher contact, and principal. Geographical location of students' homes and schools attended will also be considered. Indigenous students are encouraged to apply.

In support of student applications:

- Teachers are asked to provide a summary of students' academic performance over the period Year 7- 9 with particular reference to science, mathematics and technology capabilities.

Please comment on student potential and the value of the program to the student and school. Maximum of one A4 typed page.

Applications for the 2020 Regional Science Exchange Program are open now
